

DG, FAI Visit to NBSS&LUP, RC, Udaipur

Dr. Suresh Kumar Chaudhari, Director General, The Fertiliser Association of India (FAI), New Delhi visited the ICAR–National Bureau of Soil Science & Land Use Planning (NBSS&LUP) Regional Centre, Udaipur on 10 September 2025 and interacted with the scientists and staff members of the Centre,

DG, FAI, highly appreciated the Centre's efforts in preparation of the Land Resource Inventory and Land Use Planning Projects for Bikaner Division, Rajasthan and South Gujarat Region. He emphasized that such scientific outputs are vital for regional level agricultural planning and sustainable development of the country.

Earlier in his welcome address, Dr. B.L. Mina, Head of the Centre, gave an overview of the on-going soil survey and land resource mapping programs in the western part of India. The event was coordinated by Dr. R.P. Sharma, Principal Scientist of the Centre and thanked Dr. Chaudhari for his valuable guidance as the same will reinforce the importance of soil survey and land use planning activities for future agricultural strategies.
